Focus Areas	Elementary	Intermediate	Advanced
Speaking		✓	
Reading		✓	
Writing		✓	
Listening/ Understanding		✓	

Speaking: Vani communicates confidently in Mandarin using appropriate sentence structures and is able to respond accurately to classroom questions. She is steadily developing greater fluency and continues to demonstrate good grammatical accuracy in everyday conversations as she progresses through HSK 3.

Reading: Vani demonstrates good reading skills and is able to recognise and read a majority of the Chinese characters learnt without relying on pinyin. She reads passages with confidence and continues to strengthen her vocabulary by learning new characters.

Writing: Vani writes pinyin accurately and is able to write simple Chinese characters independently with good neatness and accuracy. She is gradually expanding her written vocabulary and is developing greater confidence in character writing.

Listening & Understanding: Vani understands classroom conversations and instructions well and is able to follow most spoken Mandarin confidently. She demonstrates good listening comprehension and continues to improve her ability to understand faster-paced speech.

Areas of Improvement: As Vani progresses through HSK 3, regular revision of newly learnt characters, increased reading without pinyin, and continued exposure to natural-speed Mandarin conversations will help further strengthen her fluency and confidence
