Speaking: Veer is currently working at Beginner Level 2 in spoken Hindi. With preparation and practice, he is able to speak a few simple lines in Hindi and is gradually developing greater confidence in expressing himself.

Reading: Veer is currently working at Beginner Level 2 in reading. He demonstrates good reading skills with assistance and is gradually building confidence and independence in reading words with the mātrās covered in class.

Writing: He is currently working at Beginner Level 2 in writing. He is gradually developing his dictation and writing skills and would benefit from continued practice to write letters and words more independently.

Listening & Understanding: Veer is currently working at Beginner Level 2 in listening and comprehension. He understands most classroom instructions but occasionally requires additional explanation or translation for better understanding.

Area of Improvement: Regular practice with the Mātrā Book will help Vir strengthen his reading, writing, and word recognition skills, enabling him to progress more confidently to the next level.
